

Student Download instructions for:

Celt X

Notes

- This free version allows working on up to three projects, which is enough for the teaching course.

Instructions

1. Go to: <https://support.celtx.com/hc/en-us/articles/207082088-What-s-included-in-the-Free-Basic-plan->
2. Click on Sign In. Either sign up or sign in with Google ID (if you have one) – can be a private Google account.
3. Once registered browse to <https://www.celtx.com/>
4. Run through set up, click start.
5. You will then be able to create projects.
