

Student Download instructions for:

Design Expert

Notes

- The vendor has approved a temporary use of this application for personal device / home use during Covid-19 lockdown. This will be extended by the University on a term-by-term basis until on campus teaching can resume to a normal level.
- The licence key is managed by Service Desk. Please call them after installing the application and they can issue the key.

Instructions

1. Go to: <https://www.statease.com/docs/v12/installation/>
2. Click Online Registration, then click the Register tab.
3. A validation email will be sent. Validate the link once received.
4. Click on Software Tab, then select Free Trial.
5. Complete request form. You'll be offered a temporary licence and choice of OS.
