Get Eclipse IDE 2020-06 Install your favorite desktop IDE packages. Download 64 bit Download Packages   Need Help?	Tool Platforms Eclipse Che Eclipse Che Is a developer workspace server and cloud IDE.	A modern, open source sof development environment runs in the cloud.	tware that			

- 2. Download and run installer.
- 3. Once installed, go to <u>https://www.pydev.org/download.html</u> to install pydev plug in.

## Liclipse combined installer

The quickest and most stress free way to install is to use the stand alone install that can be found at <u>https://www.liclipse.com/</u>. This installs liclipse which is a package of both eclipse and pydev.
