

Student Download instructions for:

# Phoenix FD

## Notes

---

## Instructions

---

1. Go to: <https://www.chaosgroup.com/download-free-trials#phoenix-fd>
2. Select download "[Download Phoenix FD for 3ds Max trial >](#)"

You will be taken to a log in account where you will be need to create an account, unless you already have one.

A screenshot of the Chaos Cloud login page. At the top right, there is a link 'New user? Create Account' circled in red. Below it, the heading 'SIGN IN' is centered. There are two input fields: 'Username' and 'Password'. The 'Password' field has a 'Forgot your password?' link to its right and a toggle icon for visibility. Below the input fields is a blue 'SIGN IN' button.

3. After signing into the website, you will be directed to the Phoenix FD for 3ds Max trial download screen. You will need to select a type of trial version. For the Business, Student and Educator types, you will need to provide a name of an educational institution or a company name.
4. Select student and press start my trial. Once the site has finished processing the request you should see the message shown below. Click **DOWNLOAD TRIAL** to be redirected to the download page for Phoenix FD for 3ds Max.
5. From there, you will be redirected to the download page for Phoenix FD for 3ds Max.
6. Find Win 10 or Mac or linux version.
7. Download and setup/install.
