

SHEFFIELD HALLAM UNIVERSITY: UNDERGRADUATE ACADEMIC CALENDAR 2019/20

Approved by University Teaching Quality Committee: 12 July 2018.

Revision approved March 2019 : Student vacation revised from weeks 38 and 39 to weeks 37 and 38.

Revision May 2019 : Date of final Semester 2 results available to students revised from week 46 to week 47.

This calendar relates to students following a standard undergraduate academic year. For undergraduate students who have an extended year (for example Education students who have teaching practice), details of their patterns of expected attendance and of assessment will be published in individual course guides/handbooks issued by the Faculty responsible for the programme. The calendar also specifies those weeks during which it is expected that the vast majority of teaching staff will need to be in attendance for teaching and related duties. These dates will not necessarily apply to all teaching staff.
