

Exemptions from the Standard Assessment Regulations for 2018/19

All validated awards are expected to comply with the [Standard Assessment Regulations](#); however some courses and modules require exemption, usually to meet Professional, Statutory or Regulatory Body requirements. The University has approved exemptions to the Standard Assessment Regulations for the courses listed in this document.

Exemptions are listed by course under the appropriate Faculty and Department. If you have any questions about an approved exemption, please contact the relevant academic course team.
